Serial No.: 10/668,555  
Filed: September 22, 2003  
Attorney Docket No.: 13942B  
Title: Light Emitting Diode With Plated Substrate

DECISION ON PETITION  
TO WITHDRAW HOLDING  
OF ABANDONMENT

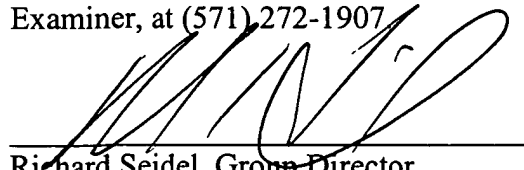

This is a decision, *sua sponte*, withdrawing the holding of abandonment of the above-identified application.

An Office actions was mailed on February 14, 2008. In the apparent absence of a reply a Notice of Abandonment was mailed on September 24, 2008.

Although no petition or request to withdraw the holding of abandonment in this application has been filed, the Notice of Abandonment is hereby vacated and the holding of abandonment is withdrawn in view of the fact that the office actions were mailed to the wrong correspondence address. The letter dated February 5, 2007 is not in fact a change of correspondence address but a change of physical address for the applicant. The application is not abandoned in fact.

Following entry of this withdraw of abandonment letter, the application will be forwarded to the Examining Corps and an Office action will be prepared by the examiner in due course.

Any inquiry regarding this decision should be directed to Matthew Smith, Supervisory Patent Examiner, at (571) 272-1907.

FACTS:

Rick, Somehow someone mistakenly took the 2/5/07 letter as a change of correspondence address. (enclosed)  
It has since been corrected as you can see here, but not before a NF(2/14/08) and an ABN (9/24/08) were mailed out. Consequently, we need to vacate the Notice of Abandonment.

Thanks

Watt

Note: Nota change of correspondence address.
